

ARTIST INFO - KATHRYN WILSON

HELLO! I'm an artist that paints **water**. The inspiration for my work comes from our unique relationship with this element that plays a vital role in life itself. Clean lines and translucent layers of colour invite the viewer to be absorbed by and connect with the work.

I hope you enjoy my paintings, you can find more on Instagram at [@kathryn_wilson_](https://www.instagram.com/kathryn_wilson_)

Perhaps **you** might like to colour in this wave.

What colours will you use? How do these colours make you feel?

Energised? Calm? Relaxed? Excited?

Kathryn
